Donate

To donate to the POC and our environmental justice mission, send a check or money order to our treasurer, Vernell Bentley, Brick Yard Terrace, 818 Salt Springs, G23, Syracuse, NY 13224

A check or money order can be made out to *The Partnership for Onondaga Creek*. Or if you want to make a **tax-deductible donation** make it out to our 501 C3 sponsor, *Onondaga Environmental Institute*.

If you can donate your time and skills, come to our next scheduled POC meeting. Below are the environmental justice projects that we are working on.

- educating urban youth about science, environmental justice and ecology through our program Young Eco-'Cuse Explorer Program. (see Eco-'Cuse Explorer page)
- raising public awareness about stormwater management and green infrastructure practices. (see Green Infrastructure page)
- advocating for jobs for urban residents and contractors. (see Jobs Taskforce page)
- promoting Healthy Homes in Syracuse
- advocating for better mass transit locally, including pushing for bus riders on the CENTRO board.
